The attention of livery stable keepers, and those keeping carriages and harnesses, is invited to this article, as it is unsurpassed for the action of the stable keepers, and also smaller sizes for the use of every-body who wish to purchess the best blacking in the market.

YOUNG MEN'S CONVENTION. ELECTION WEDNESDAY, APRIL 4.]

FOR GOVERNOR, WILLIAM SPRAGUE, of Procidence, FOR LIEUT. GOVERNOR. J. RUSSELL BULLOCK, of Beings. FOR SECRETARY OF STATE. JOHN R. BARTLETT, of Provider

FOR ATTORNEY GENERAL, WALTER S. BURGESS, of Crausian FOR GENERAL THEASURER, SAMUEL A. PARKER, of Newport.

Young Men's State Convention.

We publish to-day, the proceedings of the "Young Men's State Convention," which met in Providence on the 16th inst. Never before, in this State, was there a more respectable and enthusiastic political gr gathering. Although the day was stormy, the delegates came in from nearly ail the towns of the State, to maintain the ancient honor and high reputation of Rhoda Island as a conservative State. It is only necessary to look at the Vice Presidents, all of whom were on the platform, to form a correct estimate of the character of the Convention. The proceedings were all unanimous, and most cheering to the friends of Constitutional Freedom and National Republicani n.

COL. WILLIAM SPRAQUE, the casdidate for Governor, is at the head of the largest manufacturing house in New England, unambitious of political offices, and now comes forward only at the repeated calls and urgest solicitations of the great mass of merchants and business men of the State, to stay the tide of radicalism which threatens to overthrow our Republican institutions. He stands upon strictly conservative ground, without reference to present support of every conservative Republican in the State.

The Hon. J. RUSSELL BULLOCK, of Bristol, is a gentleman of high character, and a good lawyer. He was elected the American Republican Senator of the town of Bristol, last April, but declined because he expected to be absent from the State a part of the year. He is also deserving of the support of every conservative man in Rhode Island, and will receive it.

The old Secretary of State and General Treasurer were nominated by acclamation. WALTER S. BURGESS, Esq., who a few years since so acceptably discharged the ditties of the office of Attorney General, was nominated by the "Young Men's Convention" for that office. The office of Attorney General is not a political office-has no vote in the Legislature, and has no patronage to dispense. The offices of Attorney General, Secretary of State and General Treasurer, stand upon the same grounds; they are not political offices. First—Pt is the preparation of a regular physician, wha is well qualified from much experience in infantile complaints to presente for them. Second—It is entirely free from paregoric or opiate of any kind, and consequently relieves by removing the suffering of your child, instead of deadening its sensabilities. GREAT WONDER PRUFESSGR' WOOD'S

HAIR RESTORATIV Says the St. Louis (Mo) Democrat: Below we publish a letter to Dr. Wood of this city; from a gentlemen in Malne, which speaks glowingly of the superior merits of his hair tonic. Such evidence must have its effect, when coming from a reliable source. If certificates are guirantees of truth, the Dr. needs no encomiums nor useless puffer from the press:

undates are guarantees of truth, the Dineeds no encomiums mor uncless puffer from the press:

BATH, Maine; Jan. 29, 1859.

Prof. O. J. Wood & Co.

Cherth Mest: thaving my attention called a few months sine, to the highly beneficial effects of Jour hair restorative. I was induced to make application of it upon my own hair, which had the made quite grey, probably one-third white; my whickers were of same character. Some three months since I procured a buttle of your hair restorative, and ared it. I soon found it was proving what I had wished. I used it about a week. I have since presented another buttle, of which I have used some. I can now certify to the world that the gray or white hair hus totally disappeayed, both on my head and fave, and my hair has resum d its natural color, and I believe, more soft and glossy than it has been buch re for twenty-five years. I am now sixty years old; my good wife at the age of fifty-two has used it with the same effect.

The above notice I deem due to you for your valuable discovery. I am assured that whoever will rightly use, as per directions, will not have occasion to contradict my statements, I am a citizen of this city and a resident here for the last fifteen years, and an known to nearly every one here and adjoining towns. Any use you may make of the above, with my name attached, is alyou service, as I wish to preserve the beauties of mainer in others as well as myself. I am, truly yours,

now thick and glossy, and no words can express my abligations to you in giving to the

BROOKFIELD, Jun 12, 1856.

Professor Wood—Dear Sir: Having made trial of your Hair Restorative, it gives me pleasure to say, that its effect has been excellent in removing inflamation, dandruff and a constant tendency to itching with which laser been troubled from my childhood; and has also restored my halr which was becoming gray, to its original color. I have used no other article with anything like the same pleasure or profit.

Yours truly,
